## **GULFPORT MAYOR SAM HENDERSON TOUTS FLOWERS COMMITMENT TO YOUTH AS THE REASON FOR HIS ENDORSEMENT**

The city of Gulfport is one of the cities that falls in the Pinellas County Commission District 7 boundaries. Gulfport may be small in size compared to other cities, but they are growing by leaps and bounds thanks to Mayor Sam Henderson's leadership. That's why this endorsement is critical in the race to replace Commissioner Ken Welch .

***“As a Mayor, it is important to have strong working relationships with elected officials on all levels. In Rene Flowers, I have found an elected official who shares the same concerns that I have for our communities, particularly for our youth”, stated Mayor Henderson.***

Gulfport has embarked upon a number of programs to attract residents especially young families looking to purchase their first home. Mayor Henderson is very involved as a mentor and supporter of youth programs. ***“ Rene feels passionately about the education of our youth as evidenced by her support of Gulfport Elementary/Montessori School. In addition, she believes in positive outlets for the youth, which is why you can see her at the baseball games for the renewed Gulfport Little League program. I support and endorse Rene Flowers as our next County Commissioner because she has proven to be a solution seeker and a change maker”.***
